Joint Appropriation Subcommittee on Education

Proposed Amendment to Prgm 6, State Level Activities Prgm 9, Local Level Activities

Amendment requested by Senator Jim Peterson

Motion: I move that the operating costs for the Office of Public Instruction State Level Activities Program be reduced by \$300,000 each year of the biennium due to inclusion of one-time only costs of the K-12 education data system in the base budget.

I further move that the guarantee account revenues for base aid reflect the revenue estimates adopted by the Revenue and Transportation Interim Committee and that general fund in FY 2010 be increased by \$136,377 rather than the \$2,495,998 included in the executive proposed budget and in FY 2011 the general fund be decreased by \$1,162,146 rather than the \$1,967,998 increase proposed by the executive.
